

Dhaka Tannery Industrial Estate Wastage Treatment Plant Company Ltd.

Tannery Industrial Estate, Savar, Dhaka

E-mail : info@bscic.gov.bd , web-site: www.bscic.gov.bd

Vacancy Announcement

Invitation of application for the post of Managing Director

Bangladesh Small and Cottage Industries Corporation (BSCIC) under Ministry of Industries established Tannery Industrial Estate at Savar, Dhaka, Bangladesh with a land area of 200 acres (80 hectares). The estate comprises 155 tannery industries with facilities of a Central Effluent Treatment Plant (CETP), a Water Treatment Plant and Solid Waste Management System. For smooth operation of the facilities of the Tannery Industrial Estate (CETP, Water Treatment Plant and Solid Waste Management etc.) a company was formed under Company Act, 1994 (Act XVIII of 1994) of the People's Republic of Bangladesh. The company has planned to get 'Leather Working Group (LWG)' certificate within May 2020. Thus, the estate, including tannery industries, has to qualify for LWG certificate. Taking all these into account The Company has planned to recruit a Managing Director for smooth operation and maintenance of the CETP, Water Treatment Plant, Solid Waste management and related issues in the Tannery Industrial Estate, Savar, Dhaka, Bangladesh. The Managing Director has to plan, design and implement activities related to CETP, Water Treatment Plant and Solid Waste Management in the tannery industries to a such standard position that will help to get LWG Certificate in a sustainable manner. Therefore, the Managing Director has to deliver services in such a way that the tannery industries of the Estate can achieve LWG certificate by May 2020.

2. The position is opened for qualified candidates from home and abroad.

Position: Managing Director
